

McAFEE SCORES — Steve McKissack (71) signals a touchdown as Albert McAfee (30) carries the ball across the goal line for the Piper's first score of the night against Coahoma. At this point the Pipers were still trailing the Bulldogs, 7-6, but went on to score two more touchdowns for an 18-7 victory. The interior linemen, Alfred McAfee (61), Rick Crowley (50) and Gerry Young (60) broke a good hole in the line for McAfee to run through. NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Those of you that failed to make out to Coahoma Friday evening missed one of the finest football games that will likely be played this year. It was one of those hard nosed, bruising games that is ultimately decided at the line of scrimmage by the linemen. This is not to say that the ball carriers did not play a big part in the outcome of the game, because they did.

Both Johnny Jones and Albert McAfee picked up yard after yard of extra yardage on sheer effort. But still, the final outcome was determined by whose line won the contest at the line of scrimmage, play after play. And Friday night it was the Piper line that came out on top, both offensively and defensively.

Some were saying after the game that Hamlin was lucky to win and that may be true but personally we can not give that much credit to luck. It took the Pipers three quarters to whip that fired up bunch of Bulldogs but by the start of the fourth period it was evident that the tide had turned and that the Pipers were beginning to dominate the play.

The Pipers proved Friday night that they not only have the talent to win but they also have the character and determination to be winners — and this is what will count in the long run.

One interesting sidelight following this game was the fact that Hamlin fans were just barely able to read about the game in Saturday's Abilene paper. Bill Roberts tells about their problems in getting the game information in his column Monday morning.

It seems that whoever was supposed to call the game into Abilene didn't and when Abilene called out there trying to get information they were told they couldn't have it because The Reporter-News had been discriminating against Coahoma.

As someone who has called in games to area newspapers for nearly 20 years now I find this attitude hard to believe. I don't know if they were really that mad at the Reporter-News or just in a state of shock from getting beat.

Over the years there have been a number of times when we were on the short end of a high scoring game that I would have just as soon forgotten about calling Abilene.

But I always try to remember that

Pipers to Face Bobcats In Homecoming Battle

The Pied Pipers will be putting their undefeated record on the line here Friday night when they host the Childress Bobcats in their annual Homecoming battle. The Pipers will go into the game with a 4-0 record and the Bobcats will be looking for their fourth victory in five starts.

While the Pipers were having to come from behind to defeat a tough Coahoma team, 18-7, the Bobcats were knocking off the Stamford Bulldogs, 12-6.

The Bobcats' only loss of the season was to Wellington, 14-6, and they own victories over

Art Gallery Sets Formal Opening Here

The formal opening of Mae's Gallery will be held Saturday with Open House from 9:30 a.m. to 5:30 p.m. to mark the official opening of the art studio supply and frame shop.

New ownership is also being announced during the opening. Mrs. W. H. Little, who opened the gallery in March with Mrs. A. C. Hayes, has announced that her brother, O. A. Rial, has joined the business. Owners are Mr. and Mrs. Little and Mr. and Mrs. Rial of Abilene. Both couples will be welcoming visitors Saturday and will be showing the complete line of art supplies and picture framing.

Area artists have been invited to display their work during the special Open House which coincides with the annual Hamlin High School Homecoming. Paintings should be taken to the gallery by Friday.

Paintings by students, amateurs and professional artists will be shown.

More than 40 students have been enrolled in art classes at the local studio. Teachers have included John Crump, Mrs. Fred (Nell) Bennett and Mrs. Howard (Maxie) Kahout, both of Stamford, and Mrs. Nancy Howard of Abilene, who is currently teaching a Saturday morning class.

Stamford, Clarendon, 13-0; Memphis, 13-0; and Paducah, 39-26.

In other action here this week the local Freshmen will host the Paducah JV's here Tonight (Thursday) at 6:30. This game replaces the game scheduled with Sweetwater which was cancelled by Sweetwater. Sweetwater also cancelled their game scheduled the following week.

Coach David Bonds was still trying to find a game for the local JV's Tuesday. Their game scheduled today with Stamford has been cancelled.

Last week the Junior Varsity defeated the Haskell JV's, 42-18, and the Freshmen lost to Clyde, 22-16.

The Bobcats, picked to win their district, rely heavily on their top ground gainer, their big fullback Tim Lewellen, a 235-pound senior. He also is the mainstay in their defense, playing middle linebacker. The big 6'5" fullback has been playing with a different each week but is listed on the program as no. 16.

Starting quarterback for the Bobcats is Mark Brown, a 155-pound senior, who is rated as an average thrower and a good scrambler. At halfback will be Joe Arellano, a 165-pound senior, who is quick and at slot back will be Mark Keys, a 163-pound junior, who is a good receiver.

At split end will be Mark Lanham, 140 pound junior; and at tight end will be Floyd Key, 190-pound senior. He also plays in the backfield and last year was one of the top ground gainers for the Bobcats, gaining 80 yards in 14 carries against the Pipers last year.

Rainfall

One-half inch of rain has been recorded during the past week, according to Bill Rountree, official recorder.

Measured at 5 p.m. Thursday, Oct. 4, was .12 and .38 was recorded on Friday, Oct. 5. A trace was noted on Oct. 6.

A total of 4.97 was recorded during the month of September.

At tackles will be Neal Barber, 195-pound senior, and Shane Morey, 195-pound senior. At guards will be Marty Martin, 185-pound senior, and Bobby Felton, 160-pound junior; and at center will be Steve Lee, 146-pound senior.

B. V. Newberry, high school principal, announced this week that Reserve Seat tickets for the Hamlin-Winters game to be played at Winters will go on sale Monday.

PARADE SATURDAY—

Pep Rally Friday to Open Homecoming

A downtown pep rally at 3:45 p.m. Friday will mark the beginning of activities of the 19th annual Homecoming of ex-students and teachers of Hamlin Independent School District and consolidated schools.

Everyone is invited to participate in the pep rally to be held on Southwest Third Street at South Central.

Registration is now underway at homecoming headquarters at Reynolds Drug Store.

The Business and Professional Women's Club will serve coffee Friday and Saturday at Merle Norman Cosmetics. Returning exes will also be able to register there for Homecoming.

Tickets for the Friday evening chili supper and Saturday noon barbecue are available at Reynolds Drug, Merle Norman Studio and the cafeteria.

The chili supper with Arlie Cassle as chairman will be served from 5:30 to 7:30 p.m. Friday in the high school cafeteria.

The football game at 8 p.m. will see the Pipers meeting the Childress Bobcats. Halftime activities will feature the crowning of the Homecoming Queen selected by vote of the student body. Nominees are Diane Ford, Sheri Howerton, Leigh Anne Vaughan and Mignon Williams, all seniors.

Pictures of Deceased Exes Being Sought

Pictures of deceased ex-students and teachers in Hamlin Public Schools are being sought for a special window to be set up for Homecoming at Mar-Jo's Merle Norman Studio, 242 South Central.

Pictures should be taken in by Friday and picked up early next week. Mrs. Robert Fowler is preparing the window.

The Ex-students will also present the ex-student queen. Mrs. Joe E. Ford is chairman of this event.

Mr. and Mrs. Joe Cowan are chairmen of the after-game coffee to be held in the cafeteria.

Saturday morning the downtown parade at 11 a.m. will include floats prepared by school organizations, clubs and local businesses. O. H. Weaver Jr. is parade chairman.

Floats are to assemble at the Pony League ball park on Southwest Fifth Street at 10:30 a.m.

Bicycle entries are to be in front of the high school by 10:15 a.m.

The parade will travel along Southwest Avenue F, to West Lake Drive, then east to South Central, south to the Harden Hotel where a U turn will be made and the procession will follow the same route back to the high school.

The National Honor Society and the Student Council will host a joint coffee Saturday morning for the returning members of the two organizations. All former members are invited to attend at 9 a.m. in the teachers' lounge.

The barbecue dinner will be served from 11:30 to 1 p.m. in the high school cafeteria. Mr. and Mrs. Larry McCoy are chairmen. Catering the meal will be Doby's Hickory Stick of Odessa. Owners are Doby Johnson of the Class of 1938 and his wife, the former Marjorie Crow of the Class of 1941.

The business meeting will begin at 1 p.m. in the cafeteria. Mrs. Ken Prewitt is

in charge of arrangements.

Speaker for the meeting will be Mark W. Smith of Brownwood, a former high school coach here during the 1940's. An educator for 31 years, he has lived in Oklahoma, California, New Mexico and Texas. He received a BA degree from Daniel Baker College and MA degree from University of Oklahoma. He also served two years in the U. S. Navy.

More recently he was one of the top 32 senior golfers in the U. S. in 1970 and in 1973 was runner-up in Tri-State Golf.

In charge of window decorations for Homecoming is Mrs. Billy Joe (Frankie Sue) Wilson.

The Ex-Student float is being prepared by Mrs. J. O. (Jane) Murphree.

Mrs. Guy (Jan) Weaver is in charge of the "Little Pipers" float. Children riding this float are to meet at 10:30 a.m. at the Little League Park.

Youngsters Sought for Piper Float

Youngsters who want to ride on the Piper Float in the Saturday morning Homecoming Parade should be at the Little League ball park on Southwest Ave. F by 10:30 a.m.

The youngsters who have "Piper" suits are asked to wear them. Others may wear white or green shirts, Piper hats or carry pom poms to carry out the green and white Piper theme.

More information may be secured from Mrs. Guy Weaver.

Child Day Care Center Carnival Plans Growing

Plans for the City-wide Carnival to raise funds for a proposed Child Day Care Center are progressing nicely, according to Mrs. L. C. Bonds, secretary of the Hamlin Board of Community Development, sponsoring agent for the center.

Clubs and organizations are being asked to participate in the city-wide carnival by setting up and operating booths at the carnival Oct. 27 at the Hamlin Jaycee Building.

Booths being planned at this time include bingo, cake walk, chili and coffee, fortune telling, food booth, pony ride and spook house.

Clubs who have made commitments to help are Xi Gamma Pi, Order of Eastern Star, Young Homemakers, Jaycee Wives, Jaycees, Lions Club, Rotary Club, Boy Scouts, Future Homemakers, and Garden Club. Other clubs and organizations are urged to help and to contact the BCD office to work out details.

If the center becomes operational, it will be located in the former McCoy Funeral Home building on North Central at East Lake Drive. Initial plans call for the care of 20 children but the facility could be expanded to include as many as 35 children, Mrs. Bonds said.

Volunteer labor will be needed to prepare the center and grounds. A building will have to be torn down and a

fence constructed to prepare the grounds. Materials, furniture, toys, recreational equipment and many other needs will have to be met before the center can be opened, Mrs. Bonds added.

According to state laws, the center must have funds to cover two months operating expenses before it can be opened.

Proceeds from the carnival will be used to get the center started but Mrs. Bonds pointed out that the facility will have to pay its own way. Plans at this time call for a director, a cook and one other paid worker. Volunteers will also assist in the operation.

School Sets Increase In Lunch Prices

The Board of Trustees voted Monday evening to increase the price of lunches within the Hamlin Independent School District. Superintendent Bob Hawes cited spiraling costs for the 10 cent increases in the lunches.

The price of lunches in the primary cafeteria were increased from 40 cents to 50 cents and the lunches in the high school cafeteria were increased from 50 cents to 60 cents. The increases become effective Tuesday, Oct. 16, the first school day next week.

In other action the board voted to purchase a new 48-passenger bus for delivery for the next school year and also voted to purchase more chairs for the high school cafeteria.

No School

Monday will be a school holiday for students while teachers from Hamlin Independent School District attend the Texas State Teachers Association District Annual Meeting in Abilene.

Classes will resume Tuesday at regular times.

FROM THE FILES . . .

FIFTY YEARS AGO (October 19, 1923)

When the Hamlin High School football team first began three years ago, it would return from the field humiliated with the heavy score against them. This season they are giving their opponents the same kind of medicine. The boys are showing real mettle this season. Last Friday they met the Rotan team on the Hamlin field, and the score went up around 53 or 63 for Hamlin and 0 for Rotan. This Friday Hamlin will meet the noted Roscoe boys here. Roscoe has a team that will give our boys a race for your money.

The Herald was informed that the Jayton Band, with Mr. Gilford C. Collum as Bandmaster will be through Hamlin, Sunday afternoon, and he promises a concert on the main street at 3:30. The Jayton Band has won fame among the smaller bands of West Texas and their appearance here Sunday will afford Hamlin people a chance to hear them.

Up to Thursday afternoon the Hamlin cotton yard had received 7,200 bales of cotton. The recent rains have stopped the inrush of cotton, but the sunshine is making it move again. It is now estimated that the local yard will get more cotton than last season. Pioneer Gin has 3008 bales; Morrison Gin, 1445; Slaton Gin, 1100; Planters Gin 880; and Britton's Gin, 1656.

The 10th Annual District Assembly of the Hamlin District of the Church of the Nazarene will be held in Hamlin at the Central Nazarene College, Oct. 24 through Oct. 28.

TWENTY YEARS AGO (October 16, 1953)

Eighteen representatives of the Abilene manufacturers and wholesalers paid Hamlin a visit Tuesday morning on one of a series of booster trips being made to Central West Texas cities. The Abilenians visited in the business places of Hamlin, greeting friends and extending greetings to local citizens.

Sprinkles of rain visited the Hamlin area twice during the day Wednesday, but neither amounted to enough to hamper gathering of cotton, which is the order of the day right now. The sprinkles cooled things off for a while, but temperatures rose again as night came on.

Good response to the appeals for funds for the Boy Scouts of America in the drive that began Tuesday morning has been reported already by the nearly 100 men who are working on the solicitation, according to Fred B. Moore Jr., general chairman of the drive this year no tabulation of figures could be ascertained by The Herald at press time, but indications were that the amount raised would exceed the \$955 raised in the campaign last year.

Telephones at McCaulley will be shifted to the dial system Saturday, as announced by George Allred and T. H. Odom, owners of the exchange. All calls will be handled through the facilities of the Southwestern Bell Telephone Company dialing equip-

ment at Hamlin, but a regular operator will still be maintained at McCaulley for the time being.

TEN YEARS AGO (October 10, 1963)

After taking the past weekend off the Pied Pipers will journey to Post Friday night to close out the practice half of their schedule. The 7:30 game will be the Pipers last nonconference effort before they open district warfare the following week in Stamford.

Hamlin High School enrollment reached an all time high at the end of the first six weeks with 260 students in the four top grades of the local school system. According to figures released Tuesday by Supt. C. F. Cook the total number of students in all Hamlin schools is 1194.

The Anson Cubs defeated the Mighty Mice here Tuesday evening 6-0. The Anson Junior High team is one of the stronger ball clubs in the area and has won all of their games. The eighth grade junior high team will play aagain here Tuesday evening as they meet Haskell.

This is Fire Prevention Week, and it is good for all of us to pause in what we are doing and give a thought to care with fire. Too many fires need never have happened and a little care on the part of all of us can reduce our tragic fire toll in lives and property destroyed. On the average, about 1,000 fires start in homes in the United States every day. Last year 11,800 persons lost their lives in fires and more than 70,000 received bad burns.

Hamlin, Ballinger and Stamford remain the only undefeated clubs in District 6-AA as the season nears the mid-way mark. The district's standing was helped last week as its teams won three out of four contests, bringing the season totals up to 20-5-1.

NEWS AND VIEWS . . .
And What Have You
—Continued from page one

we are hosts to the visiting team and regardless of the outcome they have a right to receive fair treatment and this includes what we always hope to be an objective report of the game in the paper the next morning.

The players on both teams deserve fair treatment on the area sports pages and it seems a little childish for a grown man or men to pout and act like children.

Incidentally, as you will notice if you read our story on the Coahoma game, Johnny had a much better night then was reported to The Reporter-News by way of the Odessa American. He carried the ball 25 times or 177 yards which was a good night for someone who had about six players following him everywhere but into the huddle. Albert McAfee also had a good night as he was the game's second leading rusher, beating out Putt Choate, with 102 yards in 20 carries.

Philosopher Writes On Constitution Without Benefit of Scholarship

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One gets into some deep matters is week, more or less.

or editor:
This is not only out of my field it also over my head but for the past few days I've been mulling over how we can use Constitutional scholars.

According to what I've been reading in the newspapers, there is a great division of opinion in Washington and around the country over what the Constitution says on such matters as whether or not the President has the right to withhold his tapes even if they might contain evidence in a criminal trial, or over the question of whether a Vice President can be indicted before he's impeached.

Some Washington officials say yes to both questions, other say no, so what do they do? They call in outstanding Con-

stitutional scholars. And what do the scholars say?

Some say yes, some say no. In other words, after a lifetime spent in studying the Constitution, the scholars can't come any closer to a unanimous agreement than the rest of us, most of whom have never read the Constitution all the way through in the first place.

I'm not going to say that the scholars have wasted their time, but I suspect they've been given the wrong questions. You don't have to have memorized the Constitution to know it doesn't say anything about tapes, but if you got as far as the 8th grade you know it says all men are created equal, not necessarily in talent and brain power but equal before the law, and it doesn't excuse even Presidents and Vice Presidents from this splendid treatment of the human race.

I didn't intend to get so serious, I just wanted to point

out that when you consult more than one scholarly authority on any subject you're likely to come out with more than one answer. If you want to know what the Constitution says on most issues, figure out what would be fair and you'll find that's what it was trying to say.

I don't think the Constitution says anything about this, but after a lifetime of scholarly studying of the matter, I've noticed that in the long run you wind up tired-er than in the short run.

Yours faithfully,
J. A.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Pipers Come From Behind To Down Coahoma, 18-7

Hamlin fans found out what their Pipers were made of Friday night as the Pipers had to come from behind to win a grueling battle with the Coahoma Bulldogs, 18-7. Both teams went into the contest undefeated and it took the Pipers four quarters to pull this one out.

Coahoma scored late in the second period and led at half-time 7-0, but the Pipers came back fired up in the second half to limit the Bulldogs to one first down in the third period. But it was early in the fourth period before the Pipers could get on the scoreboard and then it was only for six points.

But it didn't take long for the Pipers to get on the scoreboard again as Ronnie Maberry recovered a Bulldog fumble on the Coahoma 25 and Albert McAfee scored seven plays later. The Pipers scored again in the waning seconds of the game on a 25-yard pass from Willie Hooper to Bill Cork to put the game on ice.

While the Bulldogs managed to keep Johnny Jones from scoring for the first time this year, they could not stop him from eating up big chunks of yardage play after play. He carried the ball 25 times for 177 yards, an average of 7.1 per carry. While the Bulldogs were so intent on containing Jones they found a new problem as McAfee ripped them for 102 yards in 20 carries and two touchdowns. He averaged 5.1 yards a carry.

Top ground gainer for Coahoma was Putt Choate with 99 yards in 21 carries.

Operating from the Wishbone, the Bulldogs were rated as one of the better running teams in the area, but Friday night, to the surprise of not only the Pipers, their fans and coaches, but also the Coahoma fans, they came out passing. And were quite effective with it. They completed 9 of 20 for 145 yards and dropped several that were right in the receiver's hands, costing them at least one touchdown.

Quarterback Jody Bennett opened up the game passing following the kickoff and threw four times before calling a running play. He completed two of the four for 40 yards and a first down on the Hamlin 28. Choate carried to the 18 before a five-yard penalty set them back to the 24. A running play was good for two yards and then Bennett went to the air again only to have three go incomplete as the Pipers took over on the 22. One of these was in and out of the hands of the intended receiver for a probable touchdown.

The two teams exchanged punts and the Pipers started their first drive of the night from their own 15. But nine plays later they fumbled on the Bulldog 17 with Coahoma recovering.

Again the teams exchanged punts with Coahoma taking over on their own 30 and moving out to the Hamlin 35 before giving up the ball on downs.

penalty moved the Bulldogs back to their own five. Choate carried three times for 20 yards to the 25 and Bennett completed three passes in a row for gains of 28, 14 and 23 yards to put the ball on Hamlin's 11-yard line. Choate carried to the three and then was stopped for no gain. On third down Bennett connected with Dean Wood for a three-yard touchdown pass. Wood added the point after to give the Bulldogs a seven-point lead with 1:27 left in the half.

The Pipers moved out to near mid-field before the half ended.

Following the second half kickoff the Pipers, mostly on the running of McAfee moved from their own 30 to the Bulldog 15 before giving up the ball on downs. Again the two teams exchanged punts with Coahoma's Gary Roberts returning McKissack's 48-yard punt back 71 yards to the Hamlin 33. It was McKissack who made the tackle to keep Roberts from going all the way.

The Bulldogs gained a first down at the Hamlin 20 on the running of Choate, but then picked up only six yards in four plays. A fourth down pass was knocked loose by Maberry a the goal line.

Taking over on their own 15, the Pipers gained a first down at the 28 on runs of six and seven yards by McAfee. Hooper was dropped for a five-yard loss as the quarter ended. On the first play of the fourth period, Hooper connected with Cork for 12 yards and Coahoma was stuck with a 15-yard penalty to give the Pipers a first down at the 47.

Jones carried for seven, Cork for two on the end around, and then Johnny ripped off 29 yards to the Bulldog 15. McAfee gained five, Hooper four and then Hooper was dropped for a yard loss. On fourth down Jones carried for four yards to the Coahoma three and a first down. McAfee went over right guard for the score. Jones' try for two-points was stopped short of the goal.

The Pipers kicked off, trailing by one and with only 8:12 left in the game. But on third down following the kickoff, Maberry came up with a Bulldog fumble at the Coahoma 25.

McAfee carried for three and seven yards for a first down at the 15. Jones was held for two and then McAfee for one before Jones powered his way for nine yards and a first down at the three. Jones was stopped for one yard and then McAfee carried in from the two. Jones again tried to add the two points after and brought the crowd to their feet as he made one of his greatest runs of the

night. He was forced to give ground back to the 35 and then broke tackle after tackle before being stopped just short of the goal.

With 4:30 left on the clock and owning a five-point lead the Pipers kicked off to Coahoma again. The Pipers drew a 15-yard penalty to give the Bulldogs the ball at their own 47. Choate carried twice to move to the Hamlin 40 before Coahoma was stuck with a 15-yard penalty and then a five-yard penalty, moving them back to the Coahoma 47. Bennett was then dropped for a seven-yard loss and on fourth down could only get back to the 50. The Pipers drew a 15-yard penalty back to the 35 and then Jones ripped off 37 yards for a first down at the Bulldog 28. McAfee carried for two, Hooper for one and then Hooper passed to Cork for the score. Cork took the ball at about the 15 and made his way into the endzone standing up. McKissack missed on the point after.

With only 40 seconds left on the clock the Pipers owned an 11-point lead as they kicked off to the Bulldogs for the final time. Coahoma took to the air again and made it down to the Hamlin 38 before time ran out.

Area Baptists Set Session In Stamford

The Third Annual Session of the West Central Baptist Association will be held Tuesday, Oct. 16, in the First Baptist Church, Stamford, announced Fred Thomas, pastor of the First Baptist Church, Rotan and moderator of the association. The meeting will be held in two sessions, the first beginning at 3:00 p.m. and the evening session at 7:00 p.m.

Thomas will preside over the meeting which will begin with scripture and prayer and a time of singing. The afternoon session will be mostly a business meeting recognizing the church messengers, adopting an order of business, electing new officers for 1973-74 and projected activities from the various committees.

The theme of the meeting is "Sharing Christ Through His Word." Featured speakers for the afternoon will be Dr. Julian C. Bridges, Hardin-Simmons University, speaking on Christian Education and Ross Anderson, pastor of Cross Roads Baptist Church, will close the afternoon session with the Annual Sermon.

Rev. James L. Harrell, Associate Secretary, Church Stewardship Department, Baptist General Convention of Texas, Dallas, will speak on Sharing Christ Through State Missions during the night session. Other personalities for the evening session will include Neal Shepherd, administrator of Big Country Baptist Assembly, T. O. Upshaw, Superintendent of Missions for the Double Mountain Area and Harry Garvin, Missionary to Uganda will bring the closing message.

Paper Drive Continues As Price Increase Announced

An increase in the price being received from the sale of waste paper was announced this week by the Hamlin Board of Community Development. The paper is now bringing \$1.50 per hundred pounds when sold to the Celotex Corporation.

The waste paper drive, which is a year around project, helps to support youth activities in Hamlin.

Magazines, newspapers and boxes are collected in a trailer parked behind the BCD office and taken to Celotex plant. Additional storage is being constructed to accommodate larger deliveries and faster emptying of the trailers at the wallboard plant.

The BCD stresses that there should be NO PLASTIC mixed in with the waste paper. Paper lined sacks and plastic bags mixed in with the other paper causes a malfunction in the processing machinery.

All residents are urged to help with this project by saving their waste paper and taking it to the BCD office. The paper should be bundled and tied securely or boxed.

Adult Classes To Open Here Tuesday Night

Adult education classes will get underway in the Hamlin Elementary School Tuesday, Oct. 16, beginning at 7 p.m. For those who have not registered they may do so at that time.

These classes are designed for persons who have not completed their elementary or secondary education or who have not attended school at all. Also there will be a General Education Development (GED) Class for those wishing to receive a certificate equivalent to a high school diploma.

All books, materials paper and pencils will be furnished free of charge to each student.

The teachers will be Joe Castro, Ivan Merritt and Larry Butler.

County Farm Bureau Holds Convention

The Jones County Farm Bureau will hold its annual convention in Anson Saturday at the high school cafeteria.

Special guests will be the students representing Jones County Farm Bureau at the Citizenship Seminar last July. They will review their trip.

An election of directors will be held during the meeting with one director to be elected from each precinct.

Sgt. Gillian To Give P-TA Program Today

Sgt. Doyce Gillilan, a member of the Hamlin Police Department since March, 1971, will be the guest speaker today (Thursday) at the 3:40 to 4:40 p.m. meeting of Hamlin Elementary Parent-Teacher Association in the primary cafeteria.

Sgt. Gillilan will speak on "Identification of Marijuana" and explain the characteristics of the plant, show how the plant is broken and sold to users on the street.

In announcing the program, the program committee stressed "Marijuana is a growing problem throughout the United States and we hope this program will assist you as parents to be able to identify and recognize the plant and its dangers to young people."

Sgt. Gillilan attended Southwest Academy for Law Enforcement at Howard County Junior College and has attended additional training schools which included narcotics and dangerous drugs.

Mrs. Guy Weaver, president, will preside during the business meeting.

Mrs. William Grissom will give the thought for the month.

Entertainment will be presented by the fifth grade under the direction of Reba Jackson, public music teacher.

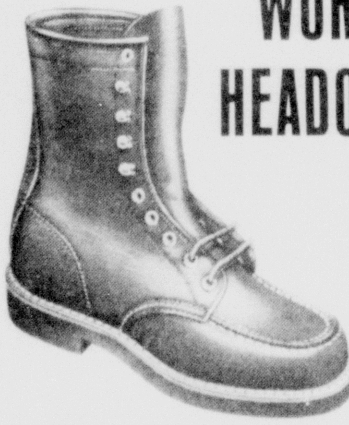

Cub Scouts Organize Here Monday

Cub Scouts organized Monday evening and made plans for the year's work at a meeting at the Hamlin Jaycee Community Building, directed by Robert Harris of Sweetwater, district Scout executive, Chisholm Trail Council.

James Wright is the new Cubmaster.

Cub Scouting is for boys 8, 9 and 10 years of age.

Leaders who will be working with the boys are Mmes. Donald Young, Carl Smith, D. R. Stewart, Jack Bond and Joyce Austin.

Ad Council

Would you hire you?

Of course you would. You work hard. And you're good at it. Like most Americans. But, if all of us did just a little better, we'd wind up with better products, better services and even more pride in the work we do.

America. It only works as well as we do.
